GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF TRANSPORTATION

NOTICE OF FUNDING AVAILABILITY

Name of Grant and Description: Nannie Helen Burroughs Avenue – Water Quality Monitoring. The District of Columbia Department of Transportation Infrastructure and Project Management Administration (IPMA) is soliciting applications from qualified organizations located and licensed to conduct business within the District of Columbia to conduct water quality monitoring of stormwater run-off along Nannie Helen Burroughs Avenue, N.E., between 44th Street and Division Avenue, N.E.

Eligible Applicants: Eligible Applicants shall be Not-for-Profit Organizations or local universities currently located and operating in the District of Columbia that have demonstrated abilities to meet the needs identified within the Request for Applications (RFA).

Deadline: 3:30 p.m. on Friday, July 30, 2010

Funds: Sixty-Five Thousand Dollars ($65,000.00)

Anticipated Number of Grants: One (1)

Submittal: Reginald M. Arno, P.E.
Infrastructure Project Management Administration
District of Columbia Department of Transportation
64 New York Avenue, NE – 1st Floor
Washington, DC 20002-3326

Evaluation: Applicants will be evaluated based on their experiences in stormwater quality monitoring in an Urban City. Supporting documents should highlight similar stormwater quality monitoring projects. Applicant's direct experience, those of Applicant's joint venture partners, partners related by ownership agreements, and also the experience of the sub-consultants proposed to be utilized on this grant project will be considered. Applicant should include names, titles and phone numbers for all references submitted. DDOT will also evaluate the experience of each Applicant's personnel as relates to technical and geographical similarities between water quality monitoring experiences and the projects described in the Applicant's proposal. The proposal will be evaluated based on Team Experience (Skills in Required Disciplines) (35%), Comparable Experience (Water Quality Monitoring and Testing) (30%), Proposed Monitoring Plan (20%), and Workload (15%)

Information: Please contact Reginald M. Arno, 202 741-5340 or Reginald.arno@dc.gov for additional information.
